**Indemnity & Insurance Obligation**

All participants flying into Great Plains Fly-In are required to read and abide by the Indemnity and Insurance clauses shown on the General Information sheet. Please acknowledge you have read and understood this requirement by ticking the following box:

I have read & acknowledge the Indemnity & Insurance clauses

**Aircraft Judging**

To participate in the competitions and awards, you must be a financial member of the SAANZ National organisation and your aircraft may need to comply with the 51% Rule.  
If your aircraft is on the field it will be judged.

**“Siren”**

When the “Siren” sounds please assemble in the hospitality area for information. This year the hospitality area will be in the round Hangar

## **GENERAL INFORMATION**

### **Special Meal Requests**

Please advise any special meal requests when registering.

We will endeavour to accommodate Gluten Free and food allergies if we have been advised of them with registration form.

### **Indemnity**

“I/we further agree to acknowledge that the Sport Aircraft Association NZ Inc. and the Ashburton Aviation Museum are in no way responsible to me/us, my/our dependants, or any other persons, for injury or damage sustained that may be done to my/our property while I/we are engaged in any Association or Museum activity. I/we HEREBY INDEMNIFY the Association and/or its officers, and the Ashburton Aviation Museum and/or its members against any claim or claims which may be brought about by any third party in respect of damage or injury caused by me/us while engaged in any Association or Museum activity.”

### **Third Party/Liability Insurance**

“It is recommended that participants flying in to Great Plains carry third party insurance. DOC strips and many private strips now stipulate this as a condition of use and the responsibility is on the individual to verify any such requirement is met prior to any intended use and to have current insurance prior to use of any such strip or landing.”

“In the unfortunate event of an incident leading to an insurance claim by another party, you may be held personally liable for the claim should you not hold any current 3<sup>rd</sup> party or personal liability policies of insurance.”

### **Ashburton Airport Landing Fees**

The operators of Ashburton Airport have just introduced landing fees, therefore to cover this we have increased the price by \$5.00 which we will pay on your behalf to the airport Operator.

## **GREAT PLAINS FLY-IN 2021**

A great welcome awaits you at Ashburton from Friday 5<sup>th</sup> February 2021. In fact if you feel inclined to come a day or two earlier we will look after you.

As many are aware the Ashburton Aviation Museum is the prime provider of facilities and food.

### **Ashburton Airfield**

**Our airfield is outside *Controlled Airspace* and is an *Uncontrolled Airfield*.**

**Good airmanship requires: A standard overhead join. All circuits left hand. Maintain a good lookout. Remember your R/T calls are not enough. There will be Nordo traffic. There will not be any parachutists operating from the airfield.**

### **Accommodation**

**You are responsible for making your own bookings. If you wish to camp on field (not actually a camping ground!) we have a suitable area and or building. Showers and toilets available. Breakfast and all meals available on field.**

### **Transport to Ashburton**

Over the period of the Fly-In there will be a shuttle van available at suitable times either to take you into town or to bring you out again, a ***GOLD COIN*** donation please.

### **Partners Programme ...**

If sufficient interest is forthcoming, there will be a programme presented which should be of interest to the partners attending. This might include such items as local gardens, arts and crafts, museum and Art Gallery, some local sight seeing, and so forth. Of course there would need to be a charge for this to cover costs incurred. If you are interested in joining this group please indicate numbers on the registration form.

### **Seminars**

There will be four seminars that will be run at different times over the Saturday and Sunday mornings.

***NO TURNING PROPELLORS IN THE PUBLIC AREA***
